

Student Administrative Affairs Policy (AY 2024-26)

Introduction

At Bright Riders School, we understand that a student's entire development and well-being depend on smooth, encouraging, and successful transitions. Every stage, whether it is entering or leaving the school (admissions), coming to and going from school (attendance), or moving up the grades and cycles (promotion), has a big impact on how pupils develop academically, physically, socially, and emotionally.

This policy describes the minimal standards Bright Riders School will follow to guarantee efficient and organised student affairs administrative procedures.

Purpose

This document articulates the strategy to:

- Ascertain that the school's decisions on admissions and grade placement are impartial and open.
- Make sure there is little course or grade repetition for kids who transition between schools.
- Describe the standards that ADEK has for student attendance.
- Make sure the school addresses issues with student absences and punctuality in a firm and efficient manner.
- Describe the extraordinary conditions that prevent students from being advanced or promoted above their grade level.
- Ascertain that students receive the proper transition assistance at critical junctures.
